AWS, CMD, Angular, Git, React.js, Wordpres, Docker

Experience

2013- Present	**Web Developer**	Freelancer

Software Development, Administration and Web Development for small local businesses and acquaintances who require my technical expertise in any of the categories previously mentioned.

Sep 2015- Nov 2016	**Software Developer**	The Birmingham Business Information Portal

Part-time job as a Hardware and Software Developer. Around December I became Junior programmer with Arduino hardware and Software. Also, worked on Estimote iBeacons integration.

Jun 2016- Aug 2016	**Junior Database Administrator**	Logika IT Solutions

My summer internship for 2016.Administrated Oracle 11c and 12g databases of our clients. Got a really good expertise in MySQL and Oracle Databases management. Also, worked with Java and Shell scripting to automate maintenance processes and activities.

Oct 2015 - Present	**Student Ambassador**	Birmingham City University

Working with the Students Union on Open days and Cooperate events.

Mar 2014 - Present	**Digital Marketing Administrator**	Dianna Estetique

Created an online presence on the Facebook market and their own website.Currently I am remotely administrating it occasionally and upon request,editing info.

Education

Sep 2015 - June 2019	**BSc in Computer Science**	Birmingham City University

First Year - grade: First
Projects:
- Software Engineering: Python Framework and Games development
- Networking Essentials: Full working design of a Cisco network.
- Web Development: HTML, CSS and JS deployment of a fully working website with .NET backend integration.

Second Year - expected grade: First
Projects:
- Functional Programming: Review of the Functional Paradigm in Financial Analysis and Data Science
- Database Administration: APEX integration over an Oracle Environment.

Second semester: Erasmus Scholarship at Universidad of Alcala, Alcala de Henares, Madrid, Spain

Voluteering

2011-2015	**Member and Officer**	Interact Club Pitesti

Worked as a member and later on became an Recruitment Officer

2015-Present — **Secretary,Vice president and Social Secretary** — Rotaract Club Birmingham

First year, as a member, after 3 weeks while I was in "training" period I took the position of secretary, making notes of our meetings and administrative duties.

Second year, I took the position of Vice-president helping our President with duties and events. After, on the following meeting a Social Secretary was needed and as a technology passionate, I also took this position, leading to me building the website of our club and administrating our social platforms.

2016-Present — **Treasurer** — HaCS

While in University, I have joined the Computers Science society, and took a committee position as a Treasurer. I was mostly doing finances, but when events were taking place, I have done the budget, sponsor paperwork and administration.

2015-Present — **Assistant and President** — BCU RoSoc

When I started university,I joined the Romanian Society as a simple member.Two weeks later , I was proposed to become an assistant of the current president,helping her with the projects and all event manangement and diplomatic issues inside the Students Union.

Later,on the second year,I became the president and organised numerous projects including National Day events,sports events and later on March , the stand of our society during an International Fair.
